

The background of the entire page is a repeating geometric pattern of thin teal lines. The pattern consists of interconnected diamond shapes that form a larger, more complex lattice structure. The lines are uniform in thickness and color, creating a subtle, textured effect.

## CARRARO

1927

*Don Cortez: The White Blend contains seven highly select varieties of Arabica coffee. There are hints of jasmine and rose petals in its fragrant, floral aroma, while the flavour is full, with prominent sweet notes. It has a long, delicate aftertaste. The Arabica coffee beans used have a low caffeine content, so it can comfortably be enjoyed several times a day.*
